Security Message for U.S. Citizens

Clarification on January 12 Hartal

Updated information about the January 12 hartal (now scheduled for 17 districts) suggests that Dhaka City will not be included. However, given the confusion about the hartal situation, the U.S. Embassy is still taking the prudent approach of restricting Embassy employees and their families to the diplomatic enclave.

We strongly recommend that U.S. citizens traveling to or residing in Bangladesh enroll in the [Department of State's Smart Traveler Enrollment Program \(STEP\)](https://www.Travel.State.Gov) at www.Travel.State.Gov. STEP enrollment gives you the latest security updates, and makes it easier for the U.S. embassy or nearest U.S. consulate to contact you in an emergency. If you don't have Internet access, enroll directly with the nearest U.S. embassy or consulate.

Regularly monitor the State [Department's website](#), where you can find current Travel Warnings, Travel Alerts, and the Worldwide Caution. Read the [Country Specific Information](#) for Bangladesh. For additional information, refer to our [Travelers Checklist](#).
